

Spacing Table for Glue Clips, Ridge Caps and all Custom Made Forms*for mounting Nixalite's All Stainless Steel Bird Spike Strips

***Custom Made Forms** are any handmade bird spike mounting brackets, clamps and straps made by the Nixalite Engineering Department that are designed to fasten bird spikes and control products to difficult surfaces such as structural steel, fragile stone and glass. Common examples would be our exclusive I-Beam Clamps, Gutter Straps, Square Tube Straps, Angle Iron Brackets and Ledge Straps. For more details, go to: www.nixalite.com/Product/Custom-Made-Forms .

"**Length of Run**" = the unbroken or uninterrupted length of surface to be protected.
